GAFNEY LIBRARY

The circulation of the Gafney Library was substantial during the year 1951, with the major interest in books for young people and in adult fiction. Total circulation was 4,747, of which 3,101 was adult fiction; 664 was adult non-fiction; and 982 was juvenile.

New books added by purchase totalled 36. In addition, several hundred books were added through gifts of friends of the Gafney Library. Those who donated books included: Mrs. Albert Wiggin, Mrs. Edna Cloutman, Mrs. Reta Finnegan, Mrs. Marion Kimball, Mrs. Mary Robertson, Miss J. Violet Pike, Ansel N. Sanborn, Alden Young, Howard Beacham, Danny Gallagher, Mrs. Howard Sawyer, Harry Hoyt, Miss Flora Brackett, Peter Agnew, Miss Gertrude Agnew, Miss Florence Agnew and the Sanbornville Woman's Club. Magazines were donated by Mrs. Lillian Edwards, Mrs. Josiah Garvin, Miss Norma Milliner, Miss Flora Brackett, Miss Edna Downs, Mrs. George Tessier, Mrs. Ansel N. Sanborn and Mr. and Mrs. Edwin Geauque.

During the summer months the heating plant of the library was completely overhauled and converted to burn oil, with automatic temperature controls. In addition an insulating cap was put over the ceiling to conserve the heat. At the same time an automatic electric sump pump was installed in the basement to take care of water which floods in during wet weather. This flooding has caused considerable damage in the past to books stored in the basement and by the dampness throughout the building. During the heavy rains after the installation the new pump took care of the water effectively.

At the request of the Sanbornville Woman's Club

a training course in library practice was offered, with Edwin P. Geauque as instructor. The course was discontinued after three sessions due to lack of attendance, but it is hoped to resume the work with the arrival of better weather.

The Parent-Teacher Association held its regular meetings in the library during the latter part of the year.

Miss Flora Brackett was appointed Associate Librarian after her retirement as a teacher in the local public schools. We are fortunate to have Miss Brackett's interest and help, for her many years of experience with the young people of this area give her a rich background for the work of the library.

At the Christmas season a decorated Christmas tree was displayed in the children's room and candy was given to the small visitors.

The Trustees of the Gafney Library are: Hon. Ansel N. Sanborn, Chairman; Edwin P. Geauque, Treasurer; and Alden N. Young.

REPORT OF FOREST FIRE WARDENS

In the past year your local forest fire organization did a very fine job of pre-suppression and suppression of forest fires. Our early spring was very dry and with extra high winds and all our fires were during that period. We find that the general public is still very careless with matches and cigarettes.

In the "Keep America Green" program there is a story of two bad boys who cause most of our forest fires. The first one we call, "I don't care," he is the person that builds fires anywhere, never gets a permit to burn brush or has a safe place for his home incinerator. He is also very careless with matches and cigarettes. The other one is called, "I don't know any better," and the best way to describe him is a plain dunce. It is only with your help that these two bad actors are controlled. Their carelessness can be the cause of our pretty and valuable woodland to be destroyed by fire. Even your own home can be burned by them.

It is up to you and you alone to report these two characters to your local forest fire warden whenever you see them operating. To have our woodlands green and our mountain streams clear, your cooperation is needed by:

1. Seeing that your incinerator is tight and is sitting on clean ground.
2. Always clean a space about any open fire to prevent it from spreading.
3. Never burn in dry windy weather.
4. In all cases a written permit is required from your local town fire warden.

5. Be sure that your matches, cigarettes and pipe ashes are out before discarding.

It is with your cooperation that this shameful waste of timber and money can be stopped.

REPORT OF THE PLANNING & DEVELOPMENT COMMITTEE

The Wakefield Planning and Development Committee was appointed by the Moderator, following authority voted at the 1950 Town Meeting. At the 1951 Town Meeting the Town voted $100.00 for the Committee to carry on its work. The primary purpose of the Committee is to try to attract industry to the Town of Wakefield. The Committee has held a number of meetings and has been alert to all possible activities which might attract industry. A piece of printed literature, entitled "Wakefield Invites You" was produced and widely distributed. Numerous personal calls were made and many letters written to prospects. In recognition of the contribution made by the recreational industry to the community, a survey was made of the accomodations available for seasonal and transient visitors. A list of these accomodations was published and distributed. Conferences have been held with regional and State officials on the problems incidental to the work of the Committee. All of this work has been done with funds raised within the Committee and without drawing upon the money voted and raised by the Town. The Committee goes into the year 1952 with its fund of $100.00 unencumbered. The members of the Committee are: Lionel A. Aubert, James Blackwood, Winburn Dudley, Edwin P. Geauque, Carroll Shea, George Tessier, Rev. Roland Thornton, Raymond A. Weeks and Alden N. Young.

RUTH I. ANDERSON
School Nurse

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Wakefield:

During the school year 1950-51 the teachers in the Wakefield Schools were as follows: Sanbornville grades 1 and 2 Miss Abbie F. Tuttle; grades 3 and 4 Miss Flora P. Brackett; grades 5 and 6 Miss Frances Nye; grades 7 and 8 Mr. Walter E. Brasier; Union grades 1 to 4 Mrs. Florence Gerrish; grades 5 to 8 Mrs. Helen Abbott. The school nurse was Mrs. Ruth Anderson who has provided very competent and sympathetic professional services. The very high degree of success of the graduates of your schools when they enroll in high school is the best evidence that you have a very competent staff of teachers.

At the close of the year Miss Flora P. Brackett retired from her teaching activities. Miss Brackett's service is most unusual in terms of years in one school. Hundreds of former pupils, now adult citizens, are performing their duties more competently because of the training received under her direction. This should be a source of great satisfaction to her. Our best wishes go with her.

At the opening of school in September, 1951 Miss Brackett was succeeded by Mrs. Blanche Wentworth of Union. Miss Nye resigned to do further college work and was succeeded by Miss Pauline Dudley of Union, and a Keene Teachers' College graduate. Mr. Walter Brasier resigned to enter service in the Wellesley Hills, Mass., school system. His work was taken over by Mr. Carl Griffin, Jr., of Rutland, Mass., who was graduated from Clark University, and holds a Master's degree from Fitchburg State Teachers' College.

Enrollment for last year is shown in the table of statistics. At the opening of the current year enrollments were as follows: — Sanbornville Primary 51, Sanbornville Grammar 38; Union School 39. Spaulding High School 23, Nute High School 17, Farmington High School 1. The total current elementary enrollment of 128 pupils is 10 less than enrolled last year. The total current elementary enrollment is well provided for by present facilities with the exception of the Sanbornville Grammar School. Here the room space is at present quite adequate for a minimum program. But the total absence of a playground and facilities for a program of physical education and recreation are definite and serious handicaps. By present standards the plant is obsolete.

Census returns indicate such a large increase in enrollment in the primary grades that in September, 1953 separate rooms will have to be provided for grade 1 and grade 2 in Sanbornville. Numbers entering grade one in the town of Wakefield will be approximately as follows: — 1952 — 21, 1953 — 27, 1954 — 36, 1955 — 22, 1956 — 17. The problem of providing more classroom space is not a temporary one because these large classes are going to be present in the school eight years. Your school board will make further report on this housing problem. It is not too soon to make plans for the additional rooms that will be needed in September, 1953.

At the last annual district meeting the matter of a supervisory union music supervisor was considered. Several districts failed to support this project and it was not carried out. Last October a 3-day music work-shop was held at Center Ossipee for all teachers of the union. This was under the direction of Dr. Alice Baumgarner, Director of Fine Arts of the State

Department of Education, ably assisted by Mrs. Frances Settle, Music Specialist of the Silver Burdett Co., publishers. This was a most successful project and the teachers came away with a valuable fund of practical ideas on the teaching of music in the elementary schools. All schools are now provided with new record players and a library of records and music books is being assembled. The children in the Sanbornville Primary School are learning rhythm through the use of a fine set of Rhythm Band instruments provided by the local Grange, and appreciation of this is hereby acknowledged. We have made a good step forward in music training, particularly in music appreciation.

During the latter half of the year Miss Grace Felker assisted by Mr. Frank Plummer gave weekly lessons in square dancing to the pupils of the upper grades. This provided excellent training not only in a form of recreation that will be useful throughout the pupils' lives, but in etiquette which is equally valuable. We acknowledge our sincere appreciation to Miss Felker and Mr. Plummer.

The interest in the education of Wakefield boys and girls shown by citizens, school board members, and teachers is hereby gratefully acknowledged.

Respectfully submitted,
EVERETT H. BRASIER
January 31, 1952 Superintendent of Schools
